ABOUT 7 SIDED CUBE

We are a digital agency specializing in public health communication and strategic digital solutions, backed by a team of experts, including a former CDC Senior Advisor with 34 years in health crisis management. With over 60 years of combined expertise, our team excels in health communications, digital marketing, and outcome-driven, audience-centered strategies. We create secure, user-focused digital platforms and deliver impactful health messaging, ensuring each initiative is grounded in best practices and measurable results. Partnering closely with clients, we help them navigate the complexities of public health and digital landscapes with confidence, extending their reach and fostering public trust.

I certify that the information contained in this Capability Statement is accurate and current.
